Mission Statement

Macaw Rescue is a non-profit corporation established under the laws of the State of Florida to provide a forever home for unwanted, abandoned, rescued, captured, or confiscated Psittacines with particular emphasis on the larger Macaws. We do not adopt out any of the birds accepted to the sanctuary.

Impact Summary from the Nonprofit

The aviaries currently house 31 rescued Macaws including from hardships to confiscations to outright abandonment. In 2010-2011 we accepted 13 cases. In 2012 we received 5 birds. Due to the rise in home disruption from the foreclosure crisis we have had an impact on rehoming or taking in Macaws which otherwise would have been abandoned or worse. These large birds live for 70 years often outliving their owners. To part with such a pet is traumatic and we offer one of the only solutions where the pet will live out its life and owners can even visit them after resolving their economic woes.

Each bird we take in is a success story for someone and is also an economic burden relieved from their shoulders.
